

# «What refugees and IDPs want to come back to»

---

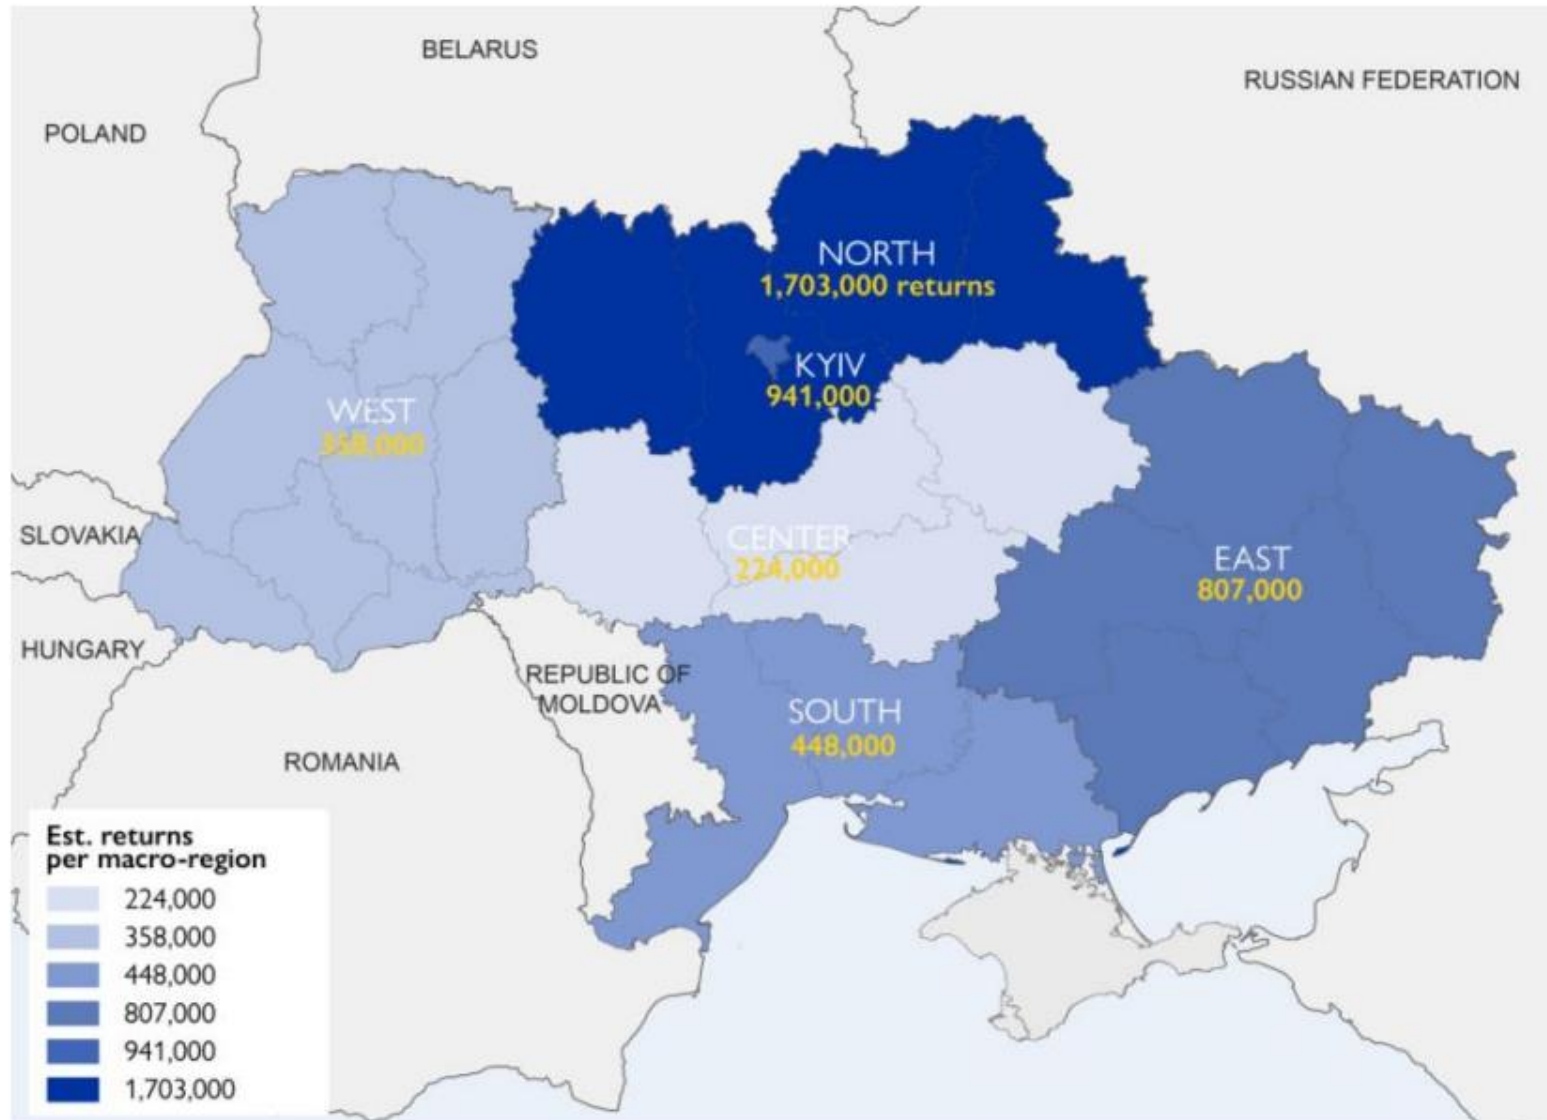

**UKRAINE**

**22 June 2022**

# 1. Ukrainian State border crossing stats

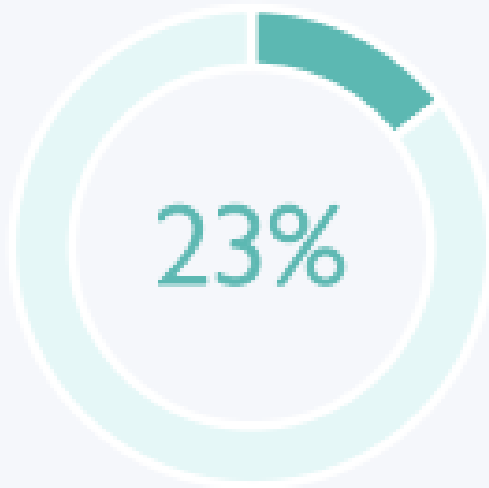

### 3. Returnees per regions of Ukraine

### 3. Returnees' top needs

64%

lost their jobs due to the war among those who were employed before the war.

current IDPs plan to return home in next two weeks

### 3. Returnees' top needs

8.5%

of all respondents indicated home (primary residence before war) was damaged by attacks/war. **Among IDPs, this figure rises to 24%**, but may be over-estimated (due to lack of access). Among returnees, 9.9% indicate damage to their homes, .

24%

among IDPs reported the need for non-food items, for example blankets, compared to 21% as of May 3 and 18% as of April 17. Among returnees, 12% indicated need for NFIs.

# 4. RE-start of affordable housing in Ukraine

- Ukraine before 24 Feb.2022: 10+ national affordable housing programs; GoU's draft of new Housing Code of Ukraine; pilot interventions through the development funds.
- When it comes to the affordable housing in the humanitarian response? Calendar & Mapping
